

## AMERICA'S ESSENTIAL HOSPITALS

### **Carol Gomes, MS, MT**

CEO and Chief Operating Officer  
Stony Brook University Hospital

A member of the senior executive team, Gomes serves as CEO and chief operating officer at Stony Brook University Hospital, in Stony Brook, N.Y.

Gomes is a leader and advocate for sustainability efforts at Stony Brook University Hospital, as the hospital has received multiple awards through Practice Greenhealth, including the 2020/2023 Top 25 Environmental Excellence Award, Circles of Excellence Award in Safer Chemicals, and Greening the Operating Room Award. Stony

Brook University Hospital recently signed the Department of Health and Human Services Health Sector Climate Pledge and is committed to cutting greenhouse gas emissions by 50 percent by 2030 and achieving net zero emissions by 2050.

Gomes serves on the boards of the Greater New York Hospital Association and Hospital Association of New York State, as well as the American Society for Clinical Pathology's Lab Medicine Editorial Board. She teaches at the School of Public Health at Stony Brook University and is a Fellow in the American College of Healthcare Executives and Certified Practitioner of Healthcare from the National Association for Healthcare Quality, as well as numerous laboratory science certifications.

Gomes holds master's degrees in management and policy and health care management and administration from Stony Brook University.
